U. S. ACCEPTS CARRANZA'S PROPOSAL

RUMBLE OF HEAVY GUNS AWAKE COLUMBUS AT DAY BREAK; TROOPS SOON TO CROSS THE BORDER

(By International News Service.)

COLUMBUS, New Mexico, March 13.—The rumble of heavy artillery awoke Columbus today. Twelve mountain guns were unloaded at the local freight yards during the night and by this evening it is expected half a dozen troop trains will have arrived.

"There'll Be a Hot Time in the Old Town Tonight", is the favorite tune of the military bands and soldiers today. The Thirteenth cavalry regiment has been selected as part of the invading force. Everybody was astir in the city at daylight and grim war-like preparations are steadily going forward.

AVIATION SQUADRON SECTION LEAVES TODAY FOR SERVICE IN PURSUIT OF THE BANDIT, VILLA

(By International News Service.)

SAN ANTONIO, March 13.—The first section of the aviation squadron that will see service in Mexico left today. It consisted of eight machines and 80 men.

General Funston has just received a report showing that his various and extensive orders to infantry, cavalry and artillery are rapidly being carried out. The American commandant expressed himself as well pleased. He explained that the delay in actually crossing the line was due to the

"JUST PLAIN OLD"

GRUBER-MORRIS HARDWARE CO., Inc.

fact that he wished to make safe all towns along the border before pushing into the fastnesses of the Mexican mountains.

Martial Law Declared.

EL PASO, March 13.—Martial law has been declared along the entire Mexican border. Large forces of American troops comprised of infantry, artillery and cavalry are moving along the frontier as fast as the railroads can handle them.

Army authorities are ready and waiting for the word that will send the U. S. soldiers across into Mexico on the trail of the bandit murderer.

General Francisco Villa is reported rapidly nearing Casas Grandes at the head of a large force bent on wiping out the Mormon colony of that city. Many inhabitants are fleeing for their lives.

Carranza May Soon Open Campaign.

QUERETARO, Mexico, March 13.—Carranza conferred with General Obregon for a long time today. The Mexican commander then left presumably for Torreon where there is a large body of national troops encamped.

MEXICAN RAIDERS CROSS LINE.

DOUGLAS, Arizona, March 13.—One hundred and fifty raiders crossed the border, 50 miles west of here today but fled when warned by the Mexican ranchers that United States troops were on their way to meet them.

MEXICAN TROOPS MAY ENTER UNITED STATES IN PURSUIT OF VILLA

OFFICIAL NOTE TO THIS EFFECT TO BE
FORWARDED AT ONCE TO WASH-
INGTON—NO MORE DANGER OF BREAK.

(By International News Service.)

WASHINGTON, March 13.—President Wilson has decided to accept Carranza's proposal that Mexican troops be permitted to enter United States territory in pursuit of bandits.

Officials believe a note to this effect will be forwarded from Washington this afternoon. In view of the new attitude of this government practically all danger of the Carranza troops opposing the advance of U. S. soldiers is now passed. However, the border will be so closely guarded that there is very little likelihood that the Mexican forces will have an opportunity to avail themselves of the privilege.

The president has considered the fact that Provisional President Carranza was placed in a delicate position owing to the intense hatred of his people for all "Americans".

It was made plain at the White House the chief executive would not go before congress at present.

MONTEREY PRESIDIO BURNS.

(By International News Service.)

SAN FRANCISCO, March 13.—The Presidio at Monterey burned this morning shortly after the departure of the first cavalry for the border. The origin of the fire is shrouded in mystery.

SMOKING IS PROHIBITED

IN CASINO BURGOWNE

A winter resident calls attention to the fact that some men have been so careless or unthinking as to smoke in the Casino Burgoyne during the progress of band concerts. The gentleman is himself a smoker but was very indignant at the thoughtless conduct of others addicted to the use of the weed. It would scarcely seem necessary to say to frequenters of the Casino that smoking in the building is hardly the proper thing.

UNCLE ROBBY'S 'PETS' AND HOT SPRINGS MEN MEET IN A TIE GAME

The Hot Springs bunch of Brooklyn National players who arrived Friday played the men who have been in camp here to a tie Saturday afternoon, the game being interspersed with features both in hitting and pitching, the final count being 9 to 9.

Rube Marquard opened for the Hot Springs team and for three innings pitched in great style, yet the local men, being led by such trusty batters as Hickman, Prieste, Stengel and Miller rapped on him a number of times, netting four runs at the close of the second inning. Mack Wheat landed out a screeching three-base hit to left off Marquard in the second. O'Mara, leading off for the Hot Springs players, singled to right. Mowrey flied out to center; "Buck" Wheat singled to center, O'Mara taking third. S. Smith scored O'Mara on an infield hit and Pfeiffer was safe at first on a fielder's choice when Stevenson, at third, dropped the ball in an attempt to catch Wheat. Miller out, Short to first and Meyers flied out to right. One run, three hits.

Appleton, in the box for Daytona team in the fourth went up in the fifth, allowing six hits and five runs ere three men had been called out. It is claimed his arm was in bad condition, having pitched in the game Friday.

Goodbred, following Appleton, twirled great ball for his session of the game several times drawing cheers from the grandstand and bleachers. He is in great form now and it is quite possible that he will give the large number of crack pitchers on the list a good run for a regular berth.

Miller was the star batter for the Daytona team, landing on the pill for three safeties and playing a good game in the outfield. Stengel's bat work, together with Hickman, Prieste and Miller featured, while O'Mara, Z. Z. Wheat, S. Smith, O. Miller, Meyers and Coombs were credited with two hits each, for Captain Coomb's team from the Arkansas city. The captain of this team appeared fully confident Friday that his team would win Saturday's battle, but Manager Robinson, who had charge of the Daytona team, while not expressing any great amount of confidence in his bunch other than

to say the affair would be full of pep and close, was right.

President Ebbets viewed the game from the grand stand until the latter three innings, when he chased over to the player's bench and insisted that Captain Coombs overcome the lead the Daytona team had at that time, two runs, by having his hefty bunch of batting pitchers get into the game with some extra base swats. Yesterday, it was that Coombs bluffed a wager of fifty dollars in cigars, that his team would win Saturday, and it is thought on the strength of Captain Coomb's confidence in his men, president must undoubtedly have put up a wager with some one on them. Anyway, his anxiety for Coomb's team to win was not idle interest.

Olson, at short for Daytona, was "on his toes" in every phase of the game making some nice, clean pick-ups and perfect throws to first. O'Mara in the same position on the Hot Springs team played a great game and figured in two double plays with First Basemen Miller and Meyers. This little man pasted the pill for two safeties and scored two runs.

The Sunday games which was proposed as the feature games of the week, will begin possibly next Sunday.

Score by innings: R. H. E.
DAYTONA 310 020 201—9 13 1
HOT SPRINGS .. 100 050 012—9 16 2

Summary:
Two base hits: Pfeiffer, O'Mara, Dell, Hickman, Stengel, Miller, Olson. Three-base hits: M. Wheat. Double plays: O'Mara to Miller; O'Mara to Meyers. Base on balls: off Marquard, 2; Mails, 1; Appleton, 1; Goodbred, 1; Smith, 1. Left on bases: Hot Springs, 7; Daytona, 6. Hit by pitched ball: Stevenson. Struck out: by Marquard, 3; Mails, 2. Umpire, Rigler.

Possibly no one man on the field and in the stands is so noticeable for his enthusiasm and interest in the games played on Ebbets field as is "Happy", the public announcer. This character of unusual wit and humor furnishes amusement at all stages of play and at no time has he run short of something humorous to say relative to popular sentiment of the Brooklyn Superbas and various forms of advertising Daytona and Seabreeze.

Would Gutgrow It.
A Louisville journalist was excessively proud of his little boy. Turning to the old black nurse, "Auntie," said he, stroking the little pate "this boy seems to have a journalistic head." "Oh," cried the untutored old aunty, soothingly, "never you mind bout dat; dat'll come right in time."

• "THE WHIRL OF LIFE"
• NEW DAYTONA TUESDAY

A remarkable 4-reel production written by Vernon Castle and based on the actual life history of "The Castles" from the time Irene Foote (Mrs. Vernon Castle), a wealthy society girl accidentally met Vernon Castle, a chorus boy in New York and refused consent by her father to marry a man a man "whose brains were in his feet," she eloped with Vernon to Paris, and when called upon to dance at the Gay Cafe de Paris, their rise to fame was meteoric. They returned to America and danced their way into hearts of admiring thousands.

The Vernon Castles, top-notch stars of the stage today, the \$5,900 a week couple whose meteoric rise has been couple whose meteoric rise has been the wonder of the century—are the stars of "The Whirl of Life."

That's all we need to say about the picture, because there can be only one result to the Castle Enterprises—Success.

"The Whirl of Life" certainly has come up to the Castles' standard. Opening at the Globe Theater, New York, it played to tremendous business at \$1, 75c, 50c and 35c, and scored the biggest kind of a triumph.

* * * * *

"MADAME LA PRIEIDENTE
AT THE CRYSTAL TUESDAY

* * * * *

Ejected from the Hotel Boulogne after a gay party, Anna Held calmly establishes herself for the night in the home of Augustine Galipaux, the judge issuing the order. As Mme. Galipaux has just left for Paris, this makes extremely amusing complications.

The flabbergasted magistrate's surrender to both Anna Held's threats and charms would be a story in itself were not the true zest of "Madame la Presidente" enacted shortly afterwards in no less a place than the respected old ministry of justice in Paris, when the august minister himself takes up the task of the gay soubrette's cavalier.

"Madame la Presidente" presents the world famous Anna Held in pictures for the first time. This French classic is splendidly presented by the Oliver Morosco Photoplay Company.

Did It, Even Then?
No doubt the weather forecaster of Noah's day sputtered something about "a deficiency in precipitation" as he went down for the third time.

✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻
 ✻ "A MAN'S MAKING" AT ✻
 ✻ THE CRESCENT TUESDAY ✻
 ✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻ ✻

"A Man's Making" is just what its title indicates—the making of a man. It is a story of success won against terrific odds—a story of regeneration, inspiration, courage and the power of love.

His heart goes down to the very depths of despair. He tastes the pangs of hunger and knows the bitterness of utter dejection. His pride and his heart are both broken. Then, with the aid of a fisherman's little daughter, step by step he rises, until the time comes when he not only can face his rich and relentless father, who had cast him off because of his wild college revels, as his equal, but is strong enough to save that father from ruin.

There is another man in the girl's life who resents her interest in her derelict, and during the height of a terrific storm at sea, huris the poor, rich boy from the top of the mast to the deck of the pitching schooner below.

It is then that the father softens, but the boy is made of the same stuff, the same indomitable will that had taken his parent so far, and he determines to finish the battle he has begun alone.

At the height of his success, word comes that enemies of his father have succeeded in breaking him, and he is on the verge of ruin. Together the two men fight back to back, until victory and success is theirs.

That night, beneath the moonlit sky, the boy joins the girl on the rocks by the sea. Two hearts are united, the girl who loved but hardly had dared to hope, and the man who fought the world to make himself worthy of her.

Human Desires.
 Heart-Frederic Amiel said that humanity is the dupe of its desires. Experience "has two ways of crushing us—by refusing our wishes and by fulfilling them. But he who only wills what God wills escapes both catastrophes."

THE IMPROVEMENT ASSOCIATION

Hopes to be able to announce the installation of our Telephone service by next week. This energetic body of workers have other good things under way—we will list a few only:

Prettiest Station Grounds on the Railway.
 Bridge Across the Halifax River.
 Picnic Grounds at Harbor Point.
 Deep Water Pier.
 Women's Exchange.
 Post Office.
 Town Hall.
 Library.

HELP THE OTHER FELLOW—HE CAN HELP YOU

That has not been adopted as the slogan of our Association, but it exemplifies the spirit of the organization. They seem to have the belief that "the other fellow" is of the same mind, and that every one is going to do his level best to make **ALLANDALE** a town of tomorrow.

PUBLIC SPIRIT

There are many towns that lack this most necessary element to inspire one to do his best.

We have the will to do things in **ALLANDALE** — everybody wants to help. If we prosper it will not be due to our optimism, but to the broad point of view that includes our neighbor's success with ours.

**MRS KIRK MUNROE ON

HOTEL ORMOND, Ormond Beach.
March 11.—Miss Lucy Olney, of
Thompson, Conn., who is spending the
winter at the Hotel Ormond, gave a
very enjoyable auction last night
at the Ormond to her many friends.
Very pretty prizes were awarded and
refreshments were served.

The ladies of the Hotel Ormond have been contesting for a very beautiful silver vase offered by the hotel as a prize for the Ladies' Ringer tournament. Hinger score is the lowest score made on each individual hole during the contest. The tournament began February 21, and ended yesterday, the winner being Miss Lampher of St. Paul, with a score of 79. Cards of each day's score were turned in to the starter at the golf club.

Entrants	Scores
Miss Lampher, St. Paul	5
Mrs. C. W. Scudder, St. Louis	8

Miss Eleanor Lightner, St. Paul ..	80
Mrs. H. L. Phillips, New York ..	91
Mrs. Kurley, Breton Inn,	119
Mrs. W. C. Dennison, Cleveland, ..	118
Mrs. L. H. Speoul, Breton Inn, ..	98
Mrs. J. L. Cannon, Cleveland,	130
Mrs. H. Hinckley, Breton Inn	108
Mrs. C. E. Snyder, Dayton, O.	105

Mrs. Kirk Munroe spoke very interestingly at the Anderson & Price Memorial Library rooms in Ormond yesterday afternoon on the "Seminole Indians." Mrs. Munroe also brought an appreciative message from her husband to the memory of Anderson & Price. There were many prominent people from the Inn and the Ormond present.

The many friends of Mrs. H. Lee Borden, of Tont, Ill., were very glad to welcome her back to the Ormond yesterday for a short visit. She has with her Miss E. L. Hamlin, of Chicago, and Miss Alta Lake, of New York, as her guests.

Mr. and Mrs. W. S. Whittlesley, of
Hardford, Conn., and Mr. and Mrs. J.
C. Gill and Mrs. Thos. D. Stinson, of
Philadelphia, Mrs. S. D. Bennett, Miss

G. Cummings, of Boston, Mr. and Mrs. E. A. Newell, Westerley, R. I., Mrs. Edwin H. Weatherbee, Mrs. John S. Baird, Mr. and Mrs. J. L. Keennen, of New York City, are stopping at the Ormond.

Still the Ormond is running to its utmost capacity. This goes down into its record as the "banner year"

Etiquette Rules.
The proper place for a woman in her own automobile or carriage or box at the opera is the right-hand corner. People in this country are not so particular about this as are English and continental, but it is a point worth observing by those who wish to give form and elegance to the daily conduct of life. Ceremony and punctilio can be carried too far, as in India, where the laws governing the manners and practices of the various castes are complicated to an exasperating point. But a society entirely devoid of etiquette is apt to be crude and ungraceful. To draw a line between that ceremonial which makes it a capital offense for a subject to look at the lama of Tibet and the mannerless state of a mining camp is a perfectly possible achievement.

CAPT. B. J. PACETTI IS

D. C. Capt. Pacetti left from this city Saturday afternoon in order to be in Washington at the time specified on Monday. The territory under Capt. Pacetti's inspection includes reservations in all the gulf states, Texas recently having been included in the district.

The luncheon was held in the parlors of the hotel and proved to be a very elaborate affair. A delicious course luncheon was served. Among the guests present from the Seaside Inn were Mrs. Clara B. Lawrence, H. Gratz, Miss Jennette Cowell, J. C. Brown, W. N. and Lawrence Ginocchio. Mrs. Allyn was a charming hostess and her hospitality was thoroughly enjoyed by her guests. SON BORN TO MR. AND MRS.

H. D. LEFEVRE, CARTHAGE, O.

Daily Thought.

A man's own conscience is his sole tribunal and he should care no more for that phantom "opinion" than he should fear meeting a ghost if he crosses the churchyard at dark.—Lytton.

Too Many.

It was W. S. Gilbert who once remarked: "It is easy enough for bishops to be good on a salary of five thousand pounds a year, but we have to be good for nothing"—a pause—"and some of us are."

Live Poultry in New York City.

New York is becoming a live poultry town. Each year for several years past an average of 5,000 permits is issued to individuals to keep live chickens, geese, ducks and other fowls. This is an effort to keep abreast of the high cost of living.

Origin of Money.

History does not tell us where the idea of money originated. The precious metals were employed in barter before the dawn of history. In the oldest ruins of civilized people bits of metals are found with an imprint of the ruler. They had banking three thousand years ago, when bills of lading were given on corks.

Your New House.

A house which is set closely among trees should not be painted green or olive. Colors contrasting with the surroundings are better for the body of the house, but it may have green trimmings and roof if desired. A house with shingled upper stories, as a rule, should be painted on the lower story a lighter shade than the shingles, which may be brick red, dark brown, green or some olive shade. The body should harmonize as, for instance, light or dark olive with Indian red, cream with browns, the grays with dark greens or dull red. Pure white with green trimmings is one of the prettiest color schemes for a suburban house set against a green back-

Made Jack Scent.

While enjoying the new-found bliss of the honeymoon a doting bridegroom hired a tandem bicycle and took his bride for an afternoon's roundabout run. The fair lady knew little or nothing about wheeling. The fond husband got his head down and plugged along as hard as a galley-slave every inch of the 33 miles, and when they got to the journey's end the perspiration was streaming from every pore in his anatomy. But not so his charming wife. She stood by as cool and unconcerned as possible, and when the poor benighted had recovered his breath a little, judge of his feelings when she gingerly touched one of the pedals and sweetly inquired: "Oh, Jack, what are these little twirlings for?"

NAMES MENTIONED FOR NOMINATION IN DEM. PRIMARY

F. W. POPE STATES THAT HE WILL NOT BE A CANDIDATE FOR ANY OFFICE IN THE COMING PRIMARY.

On the sixth of June the Democratic electors of Florida will nominate officials from United States Senator down to justice of the peace. The campaign in Volusia county has not yet opened, although one man has publicly announced for office. The announcement to appear thus far is Lee Morris, of DeLand, who will oppose E. L. Smith as a candidate for the office of sheriff.

Jerome D. Maley, of Daytona, and James E. Alexander, of DeLand, will be candidates for the office of State Senator from the 18th Senatorial district. Mr. Maley, if elected, will be the first senator that has ever claimed Daytona as a place of residence, although every other place in the county of any size has boasted of a state senator. P. C. Rodgers, of Daytona, is also considering being candidate for the office.

J. E. Cade, of Seville, and Bedford Jones, of DeLeon Springs, will aspire for the State Legislature. Murray Sams, of DeLand, will be a candidate for the same office, and it is quite probable that John S. Duss, Jr., of New Smyrna, will also be a candidate. In Volusia county two members will be elected to the lower house of the legislature.

Judge Bert Fish will be a candidate to succeed himself as judge of the criminal court of record, and he will, in all probability, be opposed by Isaac A. Stewart. F. W. Pope, of Daytona, was considering being a candidate for the office, but he announces that he will not be a candidate for any office in the approaching primary.

S. D. Jordan will be a candidate to succeed himself as clerk of the circuit court and as far as can be learned he will not be opposed.

For the first time, the tax assessor and tax collector will this year be elected each for a four-year term, instead of two years, as in the past. D. P. Smith will be a candidate to succeed himself as collector and will probably be opposed by Lee Osteen. S. B. Wilson will again be a candidate for the office of assessor, and may be opposed by M. L. Crews, of Daytona, although at last reports, Mr. Crews had not decided just what office he would aspire for. At first he considered the office of sheriff, then tax assessor, and later county commissioner to succeed Commissioner Maley. At last reports, he was again thinking of running for assessor.

Judge J. Lee McCrory will be a candidate to succeed himself as county judge and it is rumored that he will be opposed by Harry A. Horn, of Daytona Beach.

J. E. Peacock, of DeLand, will, it is stated, contest the office of county solicitor with Roy C. Hamlin, the present incumbent.

Thus far there is no announced opposition to C. H. Baguley, as clerk of the criminal court.

Just who will aspire to succeed County Commissioner J. D. Maley is not known, although friends of T. F. Williams are urging him to be a candidate.

George F. Crouch as a member of the county board of public instruction, will probably not be opposed.

"MUSICIANS' STRIKE" AT SUNDAY CONCERT

"The Musicians' Strike," which once before this season created considerable amusement in the Casino, was again played by the band at the concert, Sunday afternoon. The strike feature was well enacted by the members of the band and created quite a stir in the large audience when the musicians followed their altercation by leaving the Casino and the conductor, Rocco Saracina, rushed to the telephone with the implied intention of seeking the assistance of the city officials, or appealing to Commodore Burgoyne, who on several previous occasions, has been the means of saving the band to Daytona. It was difficult to persuade some persons in the audience that the affair was a by-play accompanying that number of the program. On the return of the musicians, there is much discord under the new conductor, but everything goes smoothly again when Saracina resumes that position.

Madame Henrietta L. Meyer, of Boston, Mass., who was a guest at the Magnolia hotel early in the season, returned Saturday from a visit to Miami, where she was registered at Halcyon Hall.

SUNDAY SCHOOL RALLY TOMORROW

REV. WM. A. BROWN, ONE OF TWO NOTED SPEAKERS NOW VISITING FLORIDA, WILL ADDRESS MEETINGS IN CONGREGATIONAL CHURCH.

Two noted speakers will visit Florida during March, under the auspices of the Florida Sunday School Association. They will make a tour of the state, stopping at important cities where Sunday school rallies will be held. Rev. William A. Brown, D. D., of Chicago, field secretary of the International Sunday School Association, and Arthur T. Arnold, of Wheeling, W. Va., general secretary of the West Virginia Sunday School Association, are two prominent men who will tour the state. Two parties will be formed, each headed by one of these men, and accompanied by local workers, and will simultaneously visit as many towns as the limited time of the two leaders will permit. Mr. Brown has a world-wide experience, having been in mission fields many years,

and is a man of broad thought and knowledge. Mr. Arnold is an expert in Sunday School lines, and is thoroughly acquainted with the work which he is to do. Both men are forceful speakers.

Among the prominent men of Florida who will accompany the parties in various parts of the state are: Rev. J. H. Martin, of Jacksonville; W. S. Frost, of the Miami Y. M. C. A.; Robert J. Reed, president of the Ft. Lauderdale Board of Trade; A. F. Turner, of Tampa, State President of Sunday School work; Frank E. Wood, of Jacksonville; Rev. O. T. Usleman, of New Smyrna, formerly with the Anti-Saloon League; Judge Armistead Brown; Chas. A. Hoyt, both of Jacksonville; Rev. H. W. McCombs, of Fort Pierce, and Fred E. Hoyt, of the Jacksonville Y. M. C. A.

Stress will be laid on all phases of Sunday School work. It is planned that much advertising will be done and the towns adjacent to those in which the tour will touch are supposed to send large delegations to the places of meetings.

It is rare that such eloquent men as the two above mentioned are to be heard in Sunday school work in Florida, and it is predicted that thousands of people will avail themselves of the opportunity.

HIGH SCHOOL FESTIVAL IN CASINO BURGOWNE

Plans are under way for a high school festival, which will be given at the Casino Burgoyne on the evening of March 20th, by the students of the high school department of the Daytona school. This will be the opening event of the beautiful veranda which has been added to the splendid Casino by Commodore Burgoyne. The festival promises to be a great event and has the hearty support of none other than the big-hearted, philanthropic citizen, Commodore Burgoyne, who is lending his aid to make the affair a great success.

There will be orchestral music for dancing for those who enjoy this pleasure. There will be booths presided over by the pretty girls of the school, where home-made candy will be for sale. Refreshments made in the domestic science department will be for sale at another booth. The high school Sentinel will be on sale also.

The proceeds of the festival will be devoted to the commercial department which will be installed in the high school at the beginning of the coming fall term.

Principal Marks is working, unceasingly, to make this event a great success, as well as all the students of the high school department and the teachers.

NEGRO BURNS LAST CELL IN CITY JAIL AND MAKES ESCAPE

**LONNIE COOPER, NEGRO BOOT-
LEGGERS, AFTER ONCE ESCAP-
ING AND BEING RECAPTURED,
LEAVES WITHOUT NOTICE.**

The last cell in the city calaboose was burned out last night, and Lonnie Cooper, a negro bootlegger, is at large as a result.

Chief of Police Milton arrested Cooper Sunday night, on the charge of bootlegging. He placed handcuffs on the negro and took him to his boarding place for the purpose of confiscating the illicit stock of booze. The officer and his prisoner went to the second story of the negro boarding house, and while the officer was looking under the negro's bed, the prisoner made a plunge through the second-story window, handcuffs and all. After an exciting three-hour chase, Officer Milton again found his prisoner and took him to the city jail.

Monday morning, when the chief made a visit to the jail, he found that the prisoner had broken through the cement flooring, and reaching the wooden sills, had burned them through and made his escape.

This is the last chapter of the city jail, and the city commissioners are now placed so that they must do something to provide a new jail. All the other cells in the jail had previously been burned out by escaping prisoners, and Cooper finished the jail by burning the only remaining cell.

Mr. and Mrs. Joseph Cass, of Tyrone, Pa., stopped over in this city Saturday afternoon on their return north from Palm Beach for a short visit with Mr. and Mrs. S. C. Archibald at their South Beach street home. Mr. Cass, formerly president of the West Virginia Pulp and Paper company, is a cousin of S. C. and A. D. Archibald and Miss Agnes Archibald. Miss Agnes Cass, a sister of Mr. Cass, has been here with her cousins for about two weeks and will remain for some time longer.

"CUSS" WORDS COST \$1 APIECE IN COURT

Cuss words cost about \$1.00 apiece, according to Judge Titus' decision this morning in the mayor's court. Of course, the fact that these particular cuss words were uttered with unusual skill and boasted the peculiar sensational, sonorous twang of the Midway "400" influenced the decision somewhat. A real ordinary, flat cuss word issued from a harrassed man that has lost a cuff link under the bureau, would hardly have scored in the running. But we digress!

Rachel Young, Margaret Young, Georgie Smith, Emma Young and Mary Dumock (in fact, they were all young except Georgie Smith and Mary Dumock, and they were young, too!) appeared in court at 9:00 o'clock with the above mentioned charge of generally cussin' out the neighborhood of Midway at 11 a. m. and 3 p. m. last Saturday. They pleaded "not guilty." After several witnesses had been called and a great amount of conflicting testimony taken, which universally agreed upon the charge of "cussin'" but differed materially upon the context of said charge, Judge Titus fined Rachel Young, Margaret Young and Mary Dumock \$2.00 and costs.

Mrs. Michael Sholtz Entertains At Cards

Mrs. Michael Sholtz, of Seabreeze, entertained most elaborately at a card party at the Palmetto club Saturday afternoon in honor of Mrs. Otto Wisner, of Brooklyn, N. Y., who is spending the winter at the Prince George.

The club house was artistically decorated with vases of pink roses and flower bowls of orange blossoms. The stage was banked high with palms, ferns and potted plants, with orange blossoms interlacing.

Eleven tables were devoted to auction bridge. Mrs. Foxg winning the first prize, Mrs. A. MacFarlane Porter, second; Mrs. Holroyd, third, and Mrs. R. S. Moley, fourth. At five hundred, Mrs. H. A. Intemann was awarded first prize, Mrs. I. Intemann, second, and Mrs. Stuenkel, third.

After cards, a salad and ice course was served, also delicious fruit punch throughout the afternoon. Mrs. Sholtz is a delightful hostess, whose charming personality and gracious attention to her guests made today's society function one long to be remembered.

CELEBRATED HER NINTH BIRTHDAY ANNIVERSARY

A pretty birthday party was given at the home of Mrs. Will Jones on South Palmetto avenue, Saturday afternoon, in honor of her little daughter, Miss May's ninth birthday, about twenty-five of her playmates came to help celebrate.

The house was tastefully decorated with pink roses, orange blossoms and potted plants. After the children had enjoyed all the childish games, dear to their little hearts, upon the lawn, ice cream and cake was served.

Little May received many beautiful presents. The little guests departed about 5:00 o'clock, all voting little Miss Jones a very charming hostess.

Japanese Idols.

Dainto-no-Rai is the name of the Japanese sun god, while that huge idol with a multitude of limbs is known as the Inabito.

Society Happenings For the Coming Week

Mrs. Lester Mitchell and Mrs. Harry Thompson will entertain at a card party at the Palmetto clubhouse, Monday afternoon, to which a number of invitations have been issued.

The Tourists' Club of St. Paul's church will meet in the Parochial hall on Myrtle avenue, Monday afternoon, to enjoy auction and five hundred.

Miss Adelaide Young, who makes her winter home at the Magnolia hotel on North Ridgewood avenue, will entertain the Neighborhood club, Monday evening.

St. Paul's Guild of St. Paul's church will meet in the Parochial hall on Myrtle avenue, Tuesday afternoon.

Tuesday evening a brilliant society dance will take place at the Palmetto clubhouse given by recent debutantes, Miss Hildegrade Courtney and Miss Marion Hilliard. This promises to be a very successful function as the girls are most popular and charming hostesses.

Wednesday morning a special board meeting for the admission of new members to the Palmetto club will be held in the Palmetto clubhouse.

Thursday afternoon, three of Daytona's all-the-year-round society maidens, Mrs. E. T. Conrad, Mrs. F. N. Conrad and Mrs. T. E. Fitzgerald will entertain at an auction bridge party in the Palmetto clubhouse, to which a number of invitations have been sent out.

A St. Patrick's card party will be held at the Palmetto clubhouse, Friday afternoon, under the direction of the Palmetto club.

Masque Ball Coming

A big masquerade ball will be given at the Casino Burgoyne, under the direction of the Palmetto club, Tuesday evening, March 14th. Everything indicates this to be the biggest society event of the season. Four ladies and four gentlemen's prizes will be given for the most unique, the oddest, the prettiest and the funniest costume.

From the Latin.

The Russians, who were slightly in disfavor on the Latin races, say that "roses bark and the wind carries it away" but the French Spaniards, Germans and English who have inherited more than they wish to acknowledge from ancient Rome, all agree that "barking dogs don't bite," and we have also in English the warning to "have care for a silent dog and still water," which is clearly a free translation of the Latin original.

GERMAN-AMERICAN SOCIETY PICNIC

One of the loveliest crowds that ever went on an excursion was that of the German-American Society, which assembled Sunday morning at the foot of Volusia avenue and filled the steamers Cherokee and Seminole to their capacity. Promptly at 9:30 the boats left the dock and, after one of the finest trips on the Halifax river, arrived at Nordman's Grove, known as No. 9, before noon. The place is an ideal one for a picnic, and the picnicers enjoyed themselves greatly, particularly at the basket dinner, which was eaten shortly after arrival at Number Nine.

The games were then started and created a great deal of amusement. The first was a sack potato race and was won by Master Karl Kost. Next came the fat-men's race, which created a lot of laughter. A foul was claimed by one of the contestants, who averred that the winner had lost his hat in the race, which should disqualify him, so the race was run over, and Geo. Froelich was declared the winner.

The ladies' race was next, and was won by Mrs. C. Bosch, after which best of all, came the fat ladies' race. The ladies started and ran to the end of the course, and stopped when they

should have returned to the starting point, so the race had to be run over. Mrs. Cowan being declared the winner.

D. N. House, a photographer, was present and took several views of the crowd.

To wind up the entertainment feature, Li Ho Chang, a Chinese juggler, amused the crowd with some excellent slight of hand tricks.

The committee having charge certainly did everything in its power to make things pleasant, and succeeded in making the picnic one of those affairs which only Germans know how to carry on. Everyone enjoyed the trip.

At 4:00 p. m., the boats left Nordman's Grove, arriving home about sundown.

What "Candle Power" Means.

When we say that a light is a certain candle power we are expressing a measure of brilliancy. Candle power is a definite term fixed by American law as the amount of light given by a candle burning 100 grains of wax per hour. Such candles come six to the pound.

Must Work to Attain Success.

You will find no stopping-place along the line of progress; there may be relays of new impulses, but no stopping-places. Work intelligently—work with energy and force to achieve success, and if you persevere success will surely crown your efforts.

ALLANDALE

ALLANDALE March 11.—Rev. Cargile gave a chart lecture at the Club house in Allandale, Friday evening, which was well attended. Dr. Cargile will hold service Sunday evening at the house; there will also be a song service.

The journey service to Allandale is proving very popular, great numbers of tourists from Daytona coming down to view the beauty of Allandale. They are unanimous in their praise.

Mr. and Mrs. Arnold, of New York state, are the guests of Mr. and Mrs. Rikeman, the two families having been friends for the past 50 years. Mr. Arnold expresses himself as delighted with Allandale, and will no doubt locate here and build a winter home.

The stock of the Allandale Building and Supply company is being rapidly subscribed for. The company will handle all kinds of building materials and supplies. The yards will be located in block No. 13, Depot addition, Allandale.

The pretty new residence of Mr. and Mrs. Hines, on Ridgewood avenue, is being rushed to completion. This will be one of the prettiest homes in Allandale.

Mrs. C. A. Wheaton, a new arrival in Allandale, expects to begin work in ten days on a copious rock bakelaw on her lot on Ridgely street.

The Allandale Improvement association held its regular meeting on Monday evening, March 10, with about 45 people present. In the absence of the chairman, Mr. Hines, the meeting was presided over by Mr. Rusk. After the minutes of the previous meeting were read and approved the association discussed important developments and listened to the reports of the various committees.

Committee on postoffice reported that the petition for same had been sent to Congressman W. J. Sears at Washington, and was signed by 32 heads of families and bearing in all sixty names.

Committee on membership in the association reported several new members.

A charter for the Allandale Improvement association was discussed and it was decided to call a special meeting for next Monday evening and to devote the whole meeting to the discussion of this most important matter.

A committee of five ladies was appointed to aid in the social and educational work of the association. Mrs. Baker a member of this committee.

started the good work by stating that she would make a gift of a beautiful flag this to be watched and approved by the members of this committee. It is planned to make the date of the flag raising a day long to be remembered by the people of Allandale.

A number of new books were added to the library and quite a sum of money. The association hopes to have a new library building at no distant day, this building to be erected on the beautiful lot donated to the association by the Allandale company, this lot adjoins the Christian Science church on Hixey place.

There being no further business the meeting adjourned, after reading of a humorous bit of rhyme by Mr. Rusk, women and read in his own happy style.

MIRROR IS INSTALLED IN CASINO BURGOWNE

The mirror recently donated toward the Casino Burgowne furnishings by F. H. Houghton, was in the casino Saturday, being placed in position directly beneath the likeness of Commodore Burgowne in the alcove just south of the main entrance to the building. The telephone and a writing table are also located in this same alcove.

Why Hush Words Hurt.

Most people seem to feel that words more than hard deeds and are more apt to hurt than by actual injuries. What we do to an enemy in war is done with necessity but the evil we do to him seems to arise from an excess of hate.—Pittsburgh.

Aids and Abets Disease.

Doctors have warned that worry means headache, nervous dyspepsia, hysteria that it weakens the body defenses and aids the attack of disease of many kinds. It is the precursor of the depressing state of mind which is the one thing which saps the patient's vitality, which, broadly speaking, is his power to will to get well.

Optimistic Department, Devoted to Cheering Up "The Land of Sunshine."
 (By GENE JONES.)

Here we are, beginning a new week and I'm too crippled to write, too crippled to think and too crippled to care that I can't! Gee, 'tis awful! The reason for this physical inertia is neither difficult nor distant. It lies along the smooth shell highway to DeLand. Need I say more? Yes, it's some road—when you are on it. A good part of the time you are riding over the road, you're riding 'way over the road, and when you are riding on the road you're generally riding IN the road.

Oh, it is a great old trip. It takes two hours, four new springs and a bottle of booze to reach DeLand without breaking down. We met an old farmer coming to Daytona in a buckboard. He told us he had been going up and down between Daytona and DeLand for years. We believe him. He hadn't any teeth left.

Now here is a verse (note the word "verse" instead of "poem"—the editor made me do it) that tells all about a Miss. Misses seem to form the subject for a great deal of drivel in the Optimist column, but you don't want to forget the Weather Man is young and impressionable. Gosh, he's a ladies' man!

SO NEAR AND YET SO FAR.

His bride was waiting at the church. It seemed as far as Mars: He'd be in time if he could reach—The blessed choo-choo cars.

His taxi dashed him through the town, Amid the traffic's burl; He longed to see the wedding-gown, Upon his darling girl.

The taxi swung about a post, And crashed into a van; His ushers were to drink a toast—The distance he must span.

He left the wreck and hurried fast. What bliss he would enjoy! His troubles all were in the past—So thought that foolish boy.

He dreamed of sweet domesticity, And all that marriage brings; He knew he'd realize happiness, That seldom comes to kings.

"Now troubles all," he cried, "disperse!"

He hurried on again; But, curse! Thrice curse! The Imp Perverse—The bride-groom missed his train.

Evil Effects of Fear.

Fear is the acid which is pumped into one's atmosphere. It causes mental, moral and spiritual asphyxiation, and sometimes death, death to energy and all growth.—Horace Fletcher.

If Death Ends All.

And suppose after all that death does end all. Next to eternal joy, next to being forever with those we love and who have loved us—next to that, is to be wrapped in the dreamless drapery of eternal peace. Next to eternal life is eternal sleep. Upon the shadowy shore of death the sea of trouble casts no wave. Eyes that have been curtained by the everlasting dark will never know again the burning touch of tears. Lips touched by eternal silence will never speak again the broken words of grief. Hearts of dust do not break. The dead do not weep. Within the tomb no veiled and weeping sorrow sits. And in the rayless gloom is crouched no shuddering fear.—Robert Ingersoll.

In Mexican Houses.

There are rarely fireplaces or stoves in Mexican houses. Of course, in the tropics these are not required, but in the cities of the uplands it is often bitterly cold. There is a popular belief that warming the air of a room by artificial heat in the rarefied air of the uplands induces pneumonia, but it is doubtful if this has any real foundation. And the Mexican prefers to shiver under cover of a poncho rather than to sit in comfort and warmth after the European or American fashion.

Labor.

Labor is the contest of the life of man with an opposite. Literally, it is the quantity or lapse, loss or failure of human life, caused by any effort. It is usually confused with effort itself, or the application of power, but there is much effort which is merely a mode of recreation or of pleasure. The most beautiful actions of the human body and the highest results of the human intelligence are conditions, or achievements, of quite unlaborious—nay, of recreative effort. But labor is the suffering in effort. It is the negative quantity—or quantity of defeat—which has to be counted against every feat, and of defeat which has to be counted against every fact or deed of men. In brief, it is "that quantity of our toil which we die in"—John Ruskin.

CALIFORNIA GETTING ORANGE ADVERTISING

The Gazette-News company is in receipt of a souvenir postcard mailed from Los Angeles, Cal., March 7th, by C. F. Reifsnider. Prominently in the foreground of the picture side of the card are two oranges, in orange color, on one of which in black letters are the words, "Eat California Oranges." Beneath the illustration, in heavy black face type on a white ground are the words, "Orange Day, March 18th, 1916."

While the card can hardly be said to be artistic, or even pretty, it is certainly showy enough to attract attention to its message which is discernable at a glance.

Mr. Reifsnider writes on the card: "Why doesn't Florida do something like this? They are scattered all over California and the East, gratis."

WILL ATTEND GOOD ROADS MEETING IN ST. AUGUSTINE

At the present time a great deal is being said, and yet more being done, for the purpose of better roads in Florida. This must of necessity come, as there are, perhaps, no roads in any of the states more traversed by people from all other states of the Union, than those of Florida.

With this purpose in view a monster Good Roads association meeting will be held in St. Augustine on March 23 and 24. Every woman's club in Florida has been invited to send a representative to the meeting. Mrs. Murray

 TO DAYTONA PROPERTY OWNERS.

In regard to the position that the sewer connections will occupy in the streets in front of the individual properties, it will facilitate matters if the owners or representatives of owners will place a suitable stake at the point they may wish the sewer to cross under the sidewalk. This stake should be about two feet inside the sidewalk.

This note will refer to vacant lots as well as improved property as "Y" connections are placed in front of all lots. Should the interested parties prefer they may leave written instructions in regard to the above at the City Hall or with the Engineer.

C. M. ROGERS, Engineer.
 LEW SMITH, Supt. of Public Works.

L. Stanley, as president of the Palmetto club will represent this organization.

FORCES ENTRY TO STORE; PAYS FINE OF \$3 IN COURT

Demanco Amado, charged with fighting in front of and in Johnson's bicycle store Saturday, was brought before the mayor's court this morning. He pleaded not guilty. He was fined \$3.00 and costs.

The first witness was Mr. Christburg, who testified the prisoner had attempted to enter the shop after an argument with its proprietor. A little fist play followed and then the witness dragged Amado to the sidewalk.

Johnson took the stand and stated he had had an argument with the prisoner after which the man had attempted to force his way into the store.

THE PARIS OFFICIAL REPORT

CONCERNING ACTION AT VERDUN

(By International News Service.)

PARIS, March 13.—The French troops last
night succeeded in penetrating the Teuton trenches
for a distance of over 200 yards in front of Le Petre
Forest, but retired after inflicting a heavy loss in
the ranks of the enemy. The above is the context
of the Paris official report.

JOHNNY JONES HERE

WITH BIG NEW SHOW

All was bustle and activity on Day-
tona's streets this morning. Long be-
fore daylight heavy circus wagons,
loaded with all those things so dear to
the heart of the small boy and his big
papa and mamma, were being drawn
from the East Coast depot in the di-
rection of the City Island. Down at
the tracks a crew of men and horses
were rolling the wagons off of the
steel flat cars which haul them from
town to town. In short, Johnny Jones
is again in town.

So prosaic a name as Johnny Jones
would have little meaning for the un-
initiated but to Daytonians now have
had the pleasure several times of see-
ing the Johnny J. Jones exposition
shows it recalls pleasant memories of
the joyous occasions of past years
when Johnny Jones and his wild an-
imals, his ferris wheels and merry-go-
round pitched their tents here.

This time, the Jones shows are en-
tirely different. Many new features
have been added and they say that
these are going to prove revelations.

The Miracle, for instance, is the big
feature of the Jones carnival and is
glad to be a classic in the tented
amusement world. The Miracle cost
Johnny Jones no less than ten thou-
sand dollars, according to his press
agent, who states that the interior
adornment of this great show alone
represents an outlay of three thousand
dollars. The show itself is a specta-
cular exhibition, with transformation
scenes and interesting playlets taken
from Biblical episodes. Additionally,
a strong vaudeville performance is in-
terpersed through the program. In
which Miss Lillian Carson Murray,
Bootsie Hurd, Margaret Wilby and

other stars of the Keith and Proctor
firmaments appear.

Down at West Palm Beach where
the shows were an attraction of the
Seminole Sun Dance last week, the
Whip was the reigning sensation. The
Whip is a new racing device which
Jones has recently added and is the
first portable one ever constructed.
During the past two summers it has
been a principal feature at Luna Park,
Coney Island. The idea is very much
like the old children's game of "Crack
the Whip," the patrons racing in steel
cars, which are thrown about an oval
track in anything but decorous fash-
ion, creating as much amusement for
the onlookers as for the riders them-
selves.

The show will open at seven o'clock
this evening, and during the remain-
der of the week will give performan-
ces each afternoon and evening. At
both matinee and night sessions, the
free acts which comprise a high dive
and musical selections by the Vnuoch,
Opplie and Keane, bands, will be
given.

His Sad State.

"My Uncle Pentecost is in a deplorable
condition," related Maude Morose.
"He has such sinister symptoms and
so many of them that he is firmly
convinced that he is being hurried to
the tomb by a serious malady, but
just what it is he doesn't know. You
see, he got hold of a patent medicine
admirable against a long list of symp-
toms which he at once recognized as
being the very ones that he himself
was entertaining, although he wouldn't
have known so bad as if he hadn't
read it there in unobtrusive black
and white. And then he found to his
horror that the next page, giving the
name of the awful disease, which
caused those symptoms was torn out.
So now he knows beyond the perad-
venture of a doubt that there is some-
thing terrible the matter with him,
but can't determine what it is."

WOODMEN OFFICIALS VISITED DAYTONA

B. Wood Jewell, sovereign advisor
and J. T. Yates, sovereign clerk of the
Woodmen of the World, Omaha, Neb.,
were Daytona visitors Saturday, look-
ing into the purchase of county road
bonds as an investment for surplus
funds of that strong fraternal insur-
ance order. Messrs. Jewell and Yates
were here only for a few hours, be-
tween trains, and many members of

the Daytona camp of be order who
would have been pleased to see them
were not aware of their presence in
the city. Mr. Jewell has been in Jack-
sonville since the early part of the
present season and Mr. Yates returned
with him to that city one of the
afternoon trains.
